About Hamburg on Tour

Hamburg on Tour is a public event series which the Hamburg Convention Bureau GmbH (as part of Hamburg Marketing GmbH) has designed to present the City of Hamburg and its surrounding Metropolis via an imaginative live communications event, taking place annually in international host cities. The events are interactive and immersive, inspiring audiences to enjoy a two-day celebration and leave them with a true taste of Hamburg.

For Hamburg on Tour partners, the event offers multiple platforms to present themselves to key international markets. The annual public event is complemented by different B2B formats to support the relationships between Hamburg and international partner cities.

Hamburg on Tour took place for the first time in 2014 in Vienna, followed by events in Copenhagen (2015), Gothenburg (2016) and London (2017).
